

Karlovy Vary International Film Festival

PROGRAM OF THE KVIFF AT YOUR CINEMA

From 3 to 11 July 2020, nearly a hundred cinemas (96) throughout the Czech Republic will be showing 16 films as part of the one-of-a-kind showcase KVIFF at Your Cinema, put together by the organizing team of the Karlovy Vary International Film Festival.

Each day of the showcase, except for the opening and closing days, all 96 cinemas will feature two films chosen by the KVIFF programming department. Today, we are announcing the program for the entire showcase. Each film will be shown at just one exclusive screening, held at all participating cinemas at the same time and presented in the spirit of the Karlovy Vary festival, including introductions and talks by the filmmakers live-streamed to the cinemas. Personal delegations from the KVIFF team will also be appearing at select locations.

Advance ticket sales for **KVIFF at Your Cinema** begin **10 July 2020**. Tickets may be purchased directly at your local cinema.

For an overview of all cinemas, a full program, and detailed information on the various films or accompanying events, visit the festival's website at www.kviff.com.
